Great News!

It's time to sign up for Winter/Spring 2020 Guitar Club.

If you have wanted to learn to play guitar come join us on Mondays after school and get a good start on the journey of learning to make some music. You could play at home, around a camp fire or at a high school dance.

Join instructor Dave Wagner for fun, structured lessons and receive a solid foundation in playing guitar. You will learn how to teach yourself how to play guitar long after you have stopped taking lessons. Class size is limited so sign up today.
