

# Monday Art Classes for k-5<sup>th</sup> grades

## Drawing, Painting and Sculpting

With Scott MacGregor and Jennifer Branch

Come create art with clay, acrylic paints, pastels and more. **Each week offers a freshly inspired project.** Students learn valuable artistic skills while developing their own unique style, learning to see and create through the eyes of an artist, and having a great time.

**“If I had to pick just one extra-curricular activity for my son, this would be it. I love not only seeing the difference in his artwork but also the difference in him.” Nancy G**

**Mondays February 3, 10, 24 March 2, 9**
